Sandhills Dental Career Center  
*Training for a Career - not just a job*

In Just 11 Weeks (Saturdays Only)

Originally founded in Atlanta in 1987, SDCC is the oldest and most experienced dental assisting program of its kind in the country. You will be taught not in a classroom but in an actual practicing dental office and learn from dental professionals who practice and teach the most current up-to-date methods.

You will be a vital part of the treatment team

There are many other programs to choose from in the Sandhills area but why would you want to pay \$10,000 for a 6-9 month program and sit in a classroom for the first 4 months? In our course, you will be in the clinic, working with the equipment the very first day! SDCC is a revolutionary method of teaching dental assisting in a rapid but organized manner which is easy to master. Our student graduates are working as dental assistants throughout the Sandhills area and the surrounding counties. Our training methods have been tested and proven over a twenty year period.

After successful completion of the course, you will be given a Certificate in Dental Assisting and will be certified in Dental Radiology.

A career of helping people improve their dental health will be rewarding and enormously satisfying for you. No two days will ever be the same and your job will continuously renew itself. It is a career that will always be in demand and in need of capable, trained and caring Dental Assistants.

**Our course includes training in:**

- Radiology
- Four-handed Dentistry
- Impressions
- Sterilization
- Crown & Bridge
- Endodontics
- Periodontics
- Restorative Dentistry
- Orthodontics
- Front Desk, Dentrux
- Dental Insurance
- Oral Disease
- Cosmetic Dentistry
- Pediatric Dentistry
- Oral Anatomy
- Nitrous Sedation

You won't have time to be bored. Our fast-paced learning systems and teaching clinic are state-of-the-art. You will be learning from dental professionals in an actual practicing dental office, NOT a vocational school. The techniques and methods we teach will be the very latest in dentistry because your instructors are actual practicing dentists and dental assistants.

**Job Opportunities:**

The job opportunities for trained dental assistants is excellent in today's marketplace. In most areas, there is an acute shortage of dental

assistants. Just look at the want-ads in the newspaper and you will see there is always a continuing demand for well trained dental assistants.

Our school offers FREE placement services to our students and to dentists seeking dental assistants. We have many dentists call during the training session, asking for our students. Our job placement is one of the highest for any school training dental assistants. Just ask your dentist about us.
